THE TOWNSHIP OF RILEY ORDAINS:

SECTION 1: TITLE

**THIS ORDINANCE shall be known and cited as the RILEY TOWNSHIP
FIRE AND RESCUE PROTECTION AND CHARGES ORDINANCE.**

SECTION 2: PURPOSE AND AUTHORIZATION

This Ordinance, being the **RILEY TOWNSHIP FIRE AND RESCUE PROTECTION AND CHARGES ORDINANCE**, is adopted pursuant to the provisions of Act Number 246 of the Public Acts of 1945, as amended (Being MCLA 41.181, *et seq.*), and Act Number 33 of the Public Acts of 1951, as amended (Being MCLA 41.801, *et seq.*), as it may be amended from time to time. The Township of Riley currently provides fire protection, rescue and emergency services to persons and entities in the Township in need thereof, pursuant to and under contracts with other municipal corporations having organized fire and/or rescue departments. The Township thereby becomes obligated to pay certain contractual sums as the result of the providing and rendering of such services; and the said charges and/or costs may be defrayed, pursuant to law, by the collection of charges for the usage of services provided. The purpose of this Ordinance is to provide financial assistance to the Township in the providing of fire protection, rescue and/or emergency services from those receiving direct benefits of and from the said service/s. It is the further purpose of the within Ordinance to provide for payment of, and to defray the costs and/or charges for such fire protection, rescue and/or emergency services by providing for the collection of same, and to have the said services available within the Township of Riley, and for the health, safety and general welfare of the public.

SECTION 3: DEFINITIONS

Terms as used in this Ordinance:

The obligation hereunder shall be joint and several among and between the responsible parties. The Township Board of Trustees shall, by Resolution, determine the costs and/or charges which shall be charged and collected for specific fire protection, rescue and/or emergency services, which charges shall reasonably compensate the Township of Riley for the costs of providing such services. Any and all such services performed and/or provided, anywhere within the boundaries and/or jurisdiction of the Township of Riley, shall be considered to be governed by this Ordinance. The Riley Township Board of Trustees will and shall also have the authority to waive the payment for such charges in cases of extreme hardship, and upon a showing of evidence substantiating the same.

In the event that the property owner, vehicle owner/operator and/or other responsible person and/or entity shall fail to receive any bill or statement rendered by the Township for the services as provided herein, it shall not relieve the said property owner, vehicle owner/operator and/or other responsible person and/or entity from the liability for, and the responsibility for, the charges and/or costs incurred, and/or may incur for any services so provided by such other governmental bodies to, or for the benefit of, the said property owner, vehicle owner/operator and/or other responsible person and/or entity.

SECTION 6: COLLECTION PROCEDURE

The Township Clerk, or other Township official or employee as directed by the Township Board, shall prepare, and mail by First Class Mail, a statement setting forth the following: The name/names of the property owner, vehicle owner/operator and/or other responsible person and/or entity, if known; the property address; the description of the vehicle/s, if applicable; the date the service/s was rendered; a description of the services rendered for which payment is being requested; the amount of the charges; and the date by which payment is due. If payment is not received pursuant to the Township's Notice, then collection proceedings shall be commenced as herein provided. If full payment is not received within the time as provided herein, then the Township may institute and/or commence such Court action as provided in this Ordinance for the collection of such charges, and any costs, interest and/or attorney fees as permitted by law. Further, and in addition to the other remedies provided herein, in the event that the property owner, vehicle owner/operator and/or other responsible person and/or entity, as defined herein, shall refuse and/or fail to pay the charges due for any service and/or services rendered under this Ordinance, then the Township of Riley shall have a lien upon, on and/or against the

property, premises and/or vehicle/s of the property owner, vehicle owner/operator and/or other responsible person and/or entity for any unpaid amount due for any said services as provided and/or rendered under the terms of this Ordinance.

SECTION 7: NON-EXCLUSIVE CHARGE

The foregoing rates and charges shall not be exclusive of the charges that may be made by the Township for the costs and expenses of maintaining fire protection, rescue and/or emergency services, but shall only be supplemental thereto. Charges may additionally be collected by the Township of Riley through general taxation after a vote of the electorate approving the same or by a special assessment established under the Michigan Statutes pertinent thereto. General fund appropriations may also be made to cover such additional costs and expenses.

SECTION 8: MULTIPLE PROPERTY PROTECTION

Where a particular fire protection, rescue and/or emergency service, as rendered, directly benefits more than one person, property, premises, and/or vehicle/s the property owner of each property and/or premises so benefited, the vehicle owner/operator of any vehicle/s so benefited, and each person and/or entity so benefited, where property protection is not involved, shall be liable for, and responsible for, the payment of the full charge for such service hereinbefore outlined. The interpretation and application of the within Section is hereby delegated to the Township Clerk, subject only to appeal within the time limits for payment, to the Township Board, and shall be administered so that charges shall only be collected from the recipients of the service.

SECTION 9: SEVERABILITY

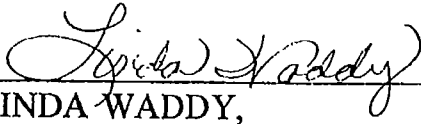

This Ordinance, and each article, section, sub-section, paragraph, sub-paragraph, part, provision, sentence, word or portion thereof is hereby declared to be severable; and should any provision or part of the within Ordinance be declared by any Court of competent jurisdiction to be invalid or unenforceable, the same shall not affect the validity or enforceability of the balance of this Ordinance which shall remain in full force and effect.
