## RILEY TOWNSHIP MASTER PLAN

<b>Section 1.0: Regional Analysis .....</b>	<b>Page 1</b>
Introduction .....	2
Regional Analysis.....	3
Regional Influences.....	5
St. Clair County Development Corridors .....	6
Housing Trends.....	9
Local Influences .....	11
Future Influences .....	12
Conclusion .....	13
<b>Section 2.0: Physical Features.....</b>	<b>17</b>
Physical Features.....	18
Geology.....	18
Topography.....	20
Water.....	20
Flood Hazards.....	20
Soils .....	20
Soil Suitability for Agriculture.....	21
Soil Suitability for Septic Fields .....	22
Woodlands .....	26
Wetlands .....	26
Farmland.....	29
Conclusion .....	30
<b>Section 3.0: Existing Land Use .....</b>	<b>31</b>
Existing Land Use .....	32
Land Use Classifications .....	34
Land Use Analysis.....	34
Conclusion .....	36
Zoning .....	37
<b>Section 4.0: Population Analysis .....</b>	<b>39</b>

Introduction .....	40
Population Change.....	40
Age.....	41
Population by Age Life Cycle .....	42
Household Growth Trends .....	44
Household Size .....	45
Population Projections.....	46
<b>Section 5.0: Goals and Objectives.....</b>	<b>49</b>
Introduction .....	50
Policy Basis.....	50
Policy Purpose .....	51
Determining Policy .....	51
Conceptual Goals.....	52
Natural Features Goals .....	52
Agriculture Goals.....	53
Residential Goals .....	54
Commercial Goals.....	55
Industrial Goals .....	56
Recreation and Open Space Goals.....	57
Public Facilities Goals .....	58
Streets and Roads Goals .....	58
<b>Section 6.0: Land Use Plan .....</b>	<b>61</b>
Introduction .....	62
Residential/Agricultural Areas Plan .....	62
Agricultural Preservation .....	62
Farmland and Open Space Preservation Program .....	63
Lower Density Zoning Requirements .....	64
Purchase or Transfer of Development Rights .....	65
Conservation Easements .....	65
Buffer Strips .....	65
Open Space Concept.....	65
Open Space Policy.....	68
Residential Density Designations.....	68

Agriculture/Low Density Residential .....	69
Moderate Density Residential .....	69
Village .....	69
River Conservation.....	69
Commercial Areas Plan.....	70
Existing Commercial Development.....	70
Future Commercial Areas .....	70
Industrial Areas Plan .....	70
Existing Industrial .....	71
Future Industrial Areas.....	71
Location Considerations.....	71
<b>Section 7.0: Thoroughfare Plan .....</b>	<b>73</b>
Introduction .....	74
Planning Concepts .....	74
Traffic Volumes, Capacities, and Road Network .....	79
Traffic Accidents and Hazard Areas.....	80
Traffic Accident Data and Trends.....	81
Private Roads.....	83
Community Character/Signage .....	83
Thoroughfare Plan.....	84
Pavement Surface Evaluation and Rating (PASER) .....	84
<b>Section 8.0: Conclusion.....</b>	<b>87</b>
Future Land Use Plan Illustration .....	88
Implementation.....	88

## LIST OF MAPS

Map 1	St. Clair County and Riley Township .....	4
Map 2	Regional Growth Corridors .....	8
Map 3	Local Area Master Plans Overview .....	14
Map 4	Local Area Zoning Overview .....	15
Map 5	USGS Topography .....	19
Map 6	Soils: Prime Farmland .....	23

Map 7	Soils: Dominant Drainage Class.....	24
Map 8	Septic Tank Absorption Fields.....	25
Map 9	Existing Wetlands.....	27
Map 10	Existing Land Use .....	33
Map 11	Riley Township Zoning .....	38
Map 12	Vehicle Accidents 2014 .....	82
