To someone concerned with  
the history of Riley Center and  
Memphis, Miss.

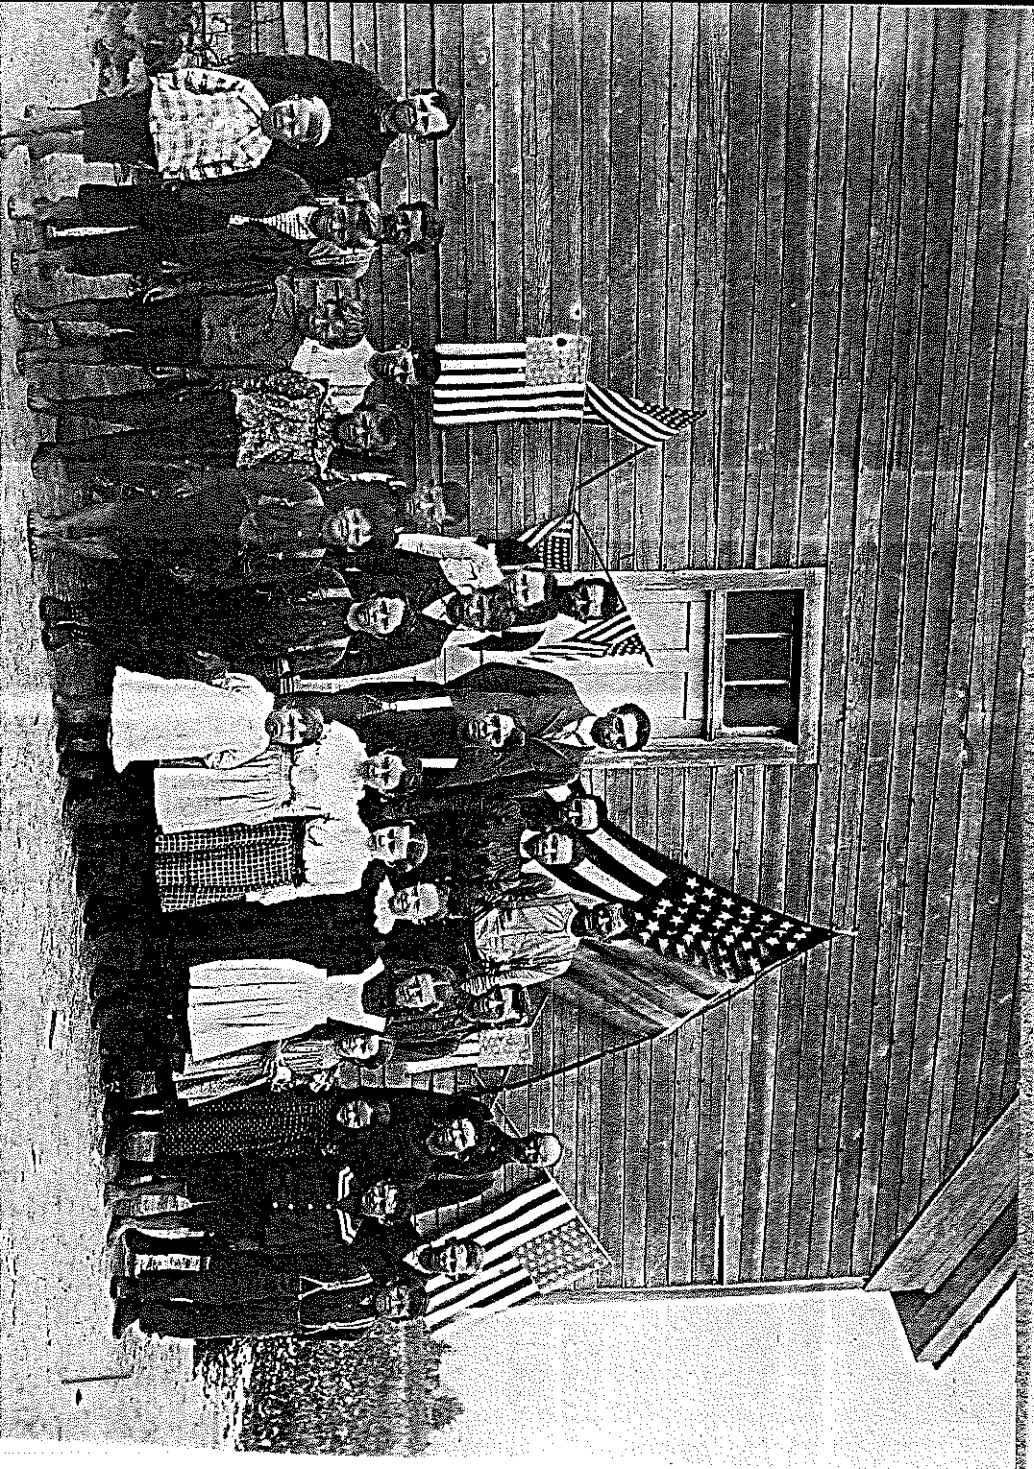

My great aunt Alice Gillam  
Davis and her husband James  
Davis, who lived in Round Hill  
and Riley Center on Belle River.

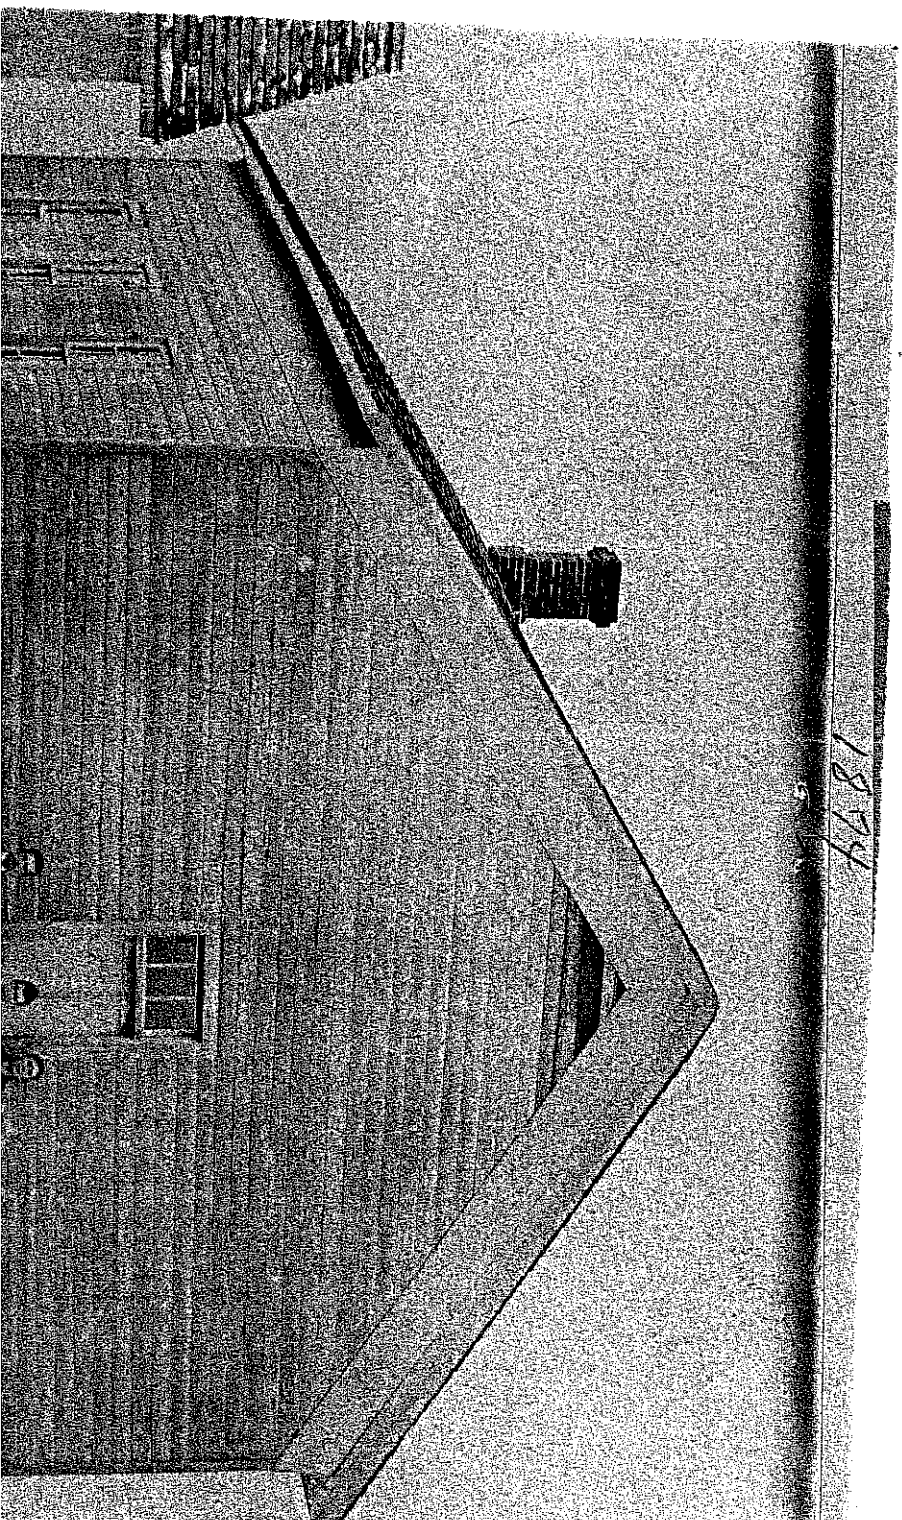

I am sending copies of a school  
house in that area. Apparently  
their children attended this  
school. These 3 pictures are of  
the same school. Like so many  
old pictures no date or name of  
the school was written on it.

Is there any way that these pictures  
could be ~~exhibited~~ exhibited to the  
public for identification? Do  
you have an historical society?

Sincerely,  
Rufus Gillam
