

The 2024 Master Plan "Draft" 42-Day Public Comment Period is Open

The Michigan Planning Enabling Act (MPEA) requires the Planning Commission to review, amend, or adopt a new Master Plan for the use, development, and preservation of land in the Township at least every five years.

The 2024 Master Plan "Draft" is an amendment to the vision established in the Township's 2017 Master Plan, as many of the elements of the 2017 Master Plan are still relevant today. The amendment notably consists of updates that were needed to refresh the data, demographics and to bring the future land use map up to date.

On October 8th, 2024 at a Regular Meeting the Riley Township Board Approved the distribution of the 2024 Master Plan "Draft" for Review and Comment.
